Through the night till the work is done
Sil - ent streaks that go fly - ing by

See the light of the ris - ing sun He's a night - owl
Tor - tured shriek from the mouse that died Fear the night owl
Head - ing home for the day
Care - ful all that you say

I'm the un - luc - ky man who should have ran but said he can be their night
Yes, I'm the wretch - ed sole who like a mole lives in a hole, not a night
owl hold - ing on come what may
owl hunt - ing out for the prey

The sit - u - a - tion has been fore - told Dig - ing down deep in this rab - bit hole. To the night owl I
have be - come the prey
